FITNESS PARTICIPATION POLICY:

As much as we would like to offer all of our "Group Training" classes regardless of the number of participants, it is not cost effective for us to do so. Class pricing is determined by a **minimum** number of participants **registered and paid in full prior to the session start date**. If a session is underway and a member has received permission from the trainer to do a walk-in class (only if there is room) they may pay the walk-in fee. (Please note: Walk-in fee is higher as the member has not committed to the full session. ALL fees must be paid prior to attending class). **NO REFUNDS OR MAKE UPS.**
