

# CHOICE HEALTH & FITNESS INDOOR VOLLEYBALL LEAGUE RULES

## TEAMS

- Coed 6 Teams may have a maximum of 10 people on a roster. Coed 4 Teams may have a maximum of 8 players on a roster.
- A maximum of 6 and a minimum of 5 players are allowed on the court at one time. Less than 5 players will result in a forfeit in all 6-on-6 leagues.
- Your 5 or 6 on-court players must consist of no more than 3 males or 4 females during coed play.
- Coed 4's there must be at least 2 females and 1 male on the court at one time. You can play with 3 females and 1 male, but not with 3 males and 1 female.
- Coed 4's can play with 3 people but your 3 players must consist of 2 females and 1 male or 2 males and 1 female.
- All players used in the championship match must be on your roster, and must have played at least 3 matches during the season.
- Players cannot play on more than 1 team in the same division. Scheduling of games will not be altered for players playing in more than one division.

## LACK OF PLAYERS OR NO SHOWS

- ***Teams that have not arrived 5 minutes after the scheduled starting time will forfeit the 1<sup>st</sup> game. If a team has not arrived by 15 minutes after the starting time, the match is forfeited.***
- If your team cannot field enough players, please notify Lisa Rollefstad at 701-746-2790 and send as many players as can make it. Even though the match will be forfeited, we'll try to round up additional players to play with them so your opponents still have a match.
- Teams that do not show up for their matches may be eliminated from a playoff spot. Forfeited games (lack of players) may lose ranking positioning for playoff. (ex. Forfeiting more than 2 games during the season may cause a lower ranking or elimination from the playoffs.) The league supervisor will determine eligible teams.
- There are no make-up matches.

## MATCH FORMAT

- A match consists of the best of 2 out of 3 games.
- Games are played to 25 points using rally scoring. You must win by 2 points.
- If necessary, the third game is played to 15 points. You must win by 2 points.

## MATCH RESULTS

- ***The winning team is responsible for circling their team number and writing in the match score (ie 2-1 or 2-0) on the league schedule, which will be hanging in the gym by the court sports office area.***

## OFFICIATING

- Teams should call their own matches. You are responsible for calling the lines on your side of the court. You should call your own carries, contact with net, etc. If there is a disputed call that cannot be resolved, please replay the point.

## SERVE

- Volley for serve the first game. The team that wins the volley serves both the 1<sup>st</sup> and 3<sup>rd</sup> games (if necessary).
- At service, the serving and starting order and positions on the court shall be male & female alternated or vice-versa in all coed leagues.
- You cannot block or attack a serve.

## PLAY

- A player may not contact any part of the net, rope, or cable while the ball is in play.
- While on defense, a player may reach over the net to block a shot, but cannot intercept the opposing player's set.
- While on offense, you cannot break the plane of the net except after the follow through.

### Illegal Hits / Carries

DIVISION A AND WOMENS' DIVISION: All illegal hits must be called. No net contacts, open hand hits, kicks, etc. allowed. USVA rules apply.

### B & C DIVISIONS:

The ball should be cleanly hit. A ball that comes to rest momentarily in the hand is considered a carry. All carries or throws are considered illegal hits and result in a point or side out.

- A ball that contacts the ceiling is still in play unless it crosses the plane of the net. All lights, rails, and guide wires are out of bounds.
