DON'T KNOW WHAT LEVEL TO PLAY?

Our goal is to ensure a competitive league for everyone involved. If you don't have a player rating, we'll help you determine your appropriate level of play. Also, a self-rating guide is available at www.usta.com.

CAN'T COMMIT EVERY WEEK?

If you will rarely miss, we'll have a sub list of players that can be contacted to ensure your opponent(s) have a match. If you can't commit to a majority of the league nights but would like to play, add your name to our sub list. You'll likely have some opportunities to play during the league.

DON'T HAVE A DOUBLES PARTNER?

You don't register with a partner. The doubles leagues are progressive, meaning, you'll team up with different players each week, based on your results from the previous week.

WHERE ARE LEAGUES LOCATED?

Leagues are held at Choice Health & Fitness.

WHAT ARE THE RULES?

League schedules, rules, & awards will be finalized & announced after registration.
